

CROWN : see secret place

For Turn Recitation
the two side channels
are inserted into
the central channel
4 fingerwidths below
the navel

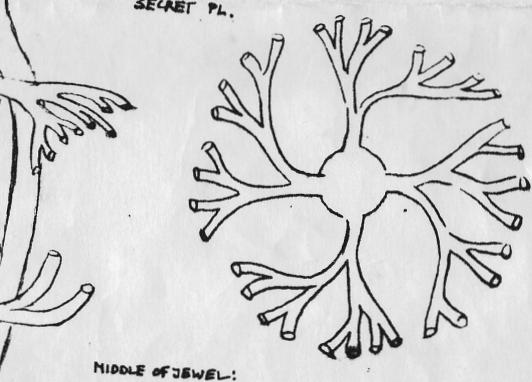

NAVEL:
64 petals

SECRET PL.
32 petals

MIDDLE OF JEWEL
8 petals

Anus

MIDDLE OF JEWEL:
see heart

As stated in "clear light of bliss" the left channel curves a little to the right and rejoins at the tip of the sex organ (release sperm, urine...) the right channel curves to the left and ends at the anus, where it functions to release feces...
