

MAGIC

F A
Marked trees for their harvest
F A
I heard fairy whisperings
E D
In wildflower fields and in the big old trees
A
They said "Go away!" Please don't harm me."
F#M E
And it was magic there was magic

D AM
I couldn't doubt it anymore
F#M E
There was magic, fairy magic
D A
Listen to the flowers, for fairy lore.
F A
Full moon rise and Shiva's temple
F A
Panorama, Himalayan peaks
E D
Five directions, five colours and five wisdoms
A
Dhyani Buddhas showed their majesty
F#M E
And it was magic, I saw magic
D A
I couldn't doubt it any more
FM E
I saw magic, I saw magic
D A
I couldn't doubt it any more
FM E
I saw magic, Buddha's magic
D A
Mystic vision of the Lion's Roar.
E A
When my mind was in trouble
E A
In dream time you came to me
E D
You wrapped my sorrow in your great big arms
A
and said, "Baby, baby, you are free
F#M E
To make magic, with pure intention

to heal others, that's what it's for
When you make magic, with pure intention
to heal others, it will be pure

Gather up all your good wishes
Make them clear in your mind.
Offer beauty to the magic ones,
Ask them, "Please, Please heal humankind!"
We can make magic, we will make magic
To banish all the wars.
