

DEEP PEACE

Lama....Lama...Lama, protect my mind
Stay with me, oh, please stay with me
Protect me from jealousy, protect from anger
Ohh stay with me.

Lama, Lama, Lama, you are equanimity
Stay with me, oh, oh, oh, please stay with me
Keep my mind on course, free from Mara
Ohh, stay with me.

Lama, Lama, Lama, you are love space
Stay with me, ohhhh, please stay with me
Keep my heart open, free from pride
Stay with me.

Lama, Lama, Lama, you are true reality
Stay with me, oh, oh, oh, please stay with me
give me pure view
oneness with you
oneness with you
oneness with you.
