

OM AH HUM 3X
to bless the incense offering

Mantra for the spirits to accept:
NAMA SARWA TATHAGATA AVALOKITE OM SAMBAHARA SAMBHARA HUM
7 or more times and snap right finger after each recitation

This blissful incense is pure from the beginning. It resembles the peerless cloud of Samantabhadra's offerings.

KYEH!

In the expanse of blue skies, white clouds gently blow
From the essence of cloud the rainfalls to the earth
Like the essence of oceans, nourishing honey plants grow.
I make incense offering to the direct and indirect Gurus, to the Buddhas and
Bodhisattvas and to Mother Tara.
May this incense offering purify all broken samaya.

To the dakinis and dharma protectors, may all obstacles to attainments be purified.
May all obstacles to understanding the Dharma be pacified. May this incense
placate all my transgressions.

To the country devas, local landlords, local spirits, place owners and nagas,
May this incense pacify completely every harm done by my body, speech and mind.
May it pacify all and everyone of my unskillful conducts. May this incense purify all
the pollutions of degenerated samayas and all wrong attitudes.

I offer mentally generated offerings, please accept.
May the Triple Gem provide refuge and protection, may the protectors perform the
four actions, may the place owners and local landlords become my friends. May the
spirits pacify all grudges. May there be glory, wealth, power and perfections of
fortune. May the powerful ones of this world. Brahma, Indra, Nagas and so forth,
accept my offerings in auspiciousness. May all beings born here (or come here) be
happy and comfortable.

best at sunset or sunrise but anytime is fine.
