

HOMAGE TO WISDOM

OM NAMO MANJUSHRI YE NAMO SU SHRI YE NAMO TAMA SHRI YE SVAHA

REFUGE

In the Buddha, Dharma and Sangha
Until enlightened I seek refuge
Through giving and other perfections
To aid all, may I become Buddha.

MANDALA OFFERING

The ground is blessed, with scent and with flowers strewn
Adorned with Mt. Meru, the four lands, sun and moon
Transformed as a pure land, and offered
May all wandering beings enjoy this Buddha land

All those objects of my mind's three poisons,
Coveted, friend, foe and stranger, body, wealth, worldly pleasures
Without a feeling of loss, I surrender
Receive them please and free all beings, from their bondage.

IDAM GURU RATNA MANDALAKAM NIRYATAYAMI

HOMAGE TO WISDOM ESSENCE OF HEART SUTRA

Beyond speech, thought, expression, wisdom gone beyond,
Unborn unceasing, with a nature like space
Discerning transcendent wisdom's sphere of awareness,
Homage to the Mother of Three Times Buddhas

BUDDHA SHAKYAMUNI MANTRA

TAYA TA OM MUNI MUNI MAHA MUNI YE SOHA

DEDICATION OF POSITIVE ENERGY TO LIBERATION OF ALL BEINGS

By this virtue, may I become Buddha
And lead all beings
Into that enlightened state.

May supreme bodhicitta
Not arisen, rise and grow
And what has arisen not decline,
But increase forever more
