

FOR YOU

May you be happy

May you be gay

May you have lovin'

In every day

Do you know

I am here for you?

May you be robust

May you be strong

May you be cheerful

The whole day long

and you know, I am here for you

Down in the canyon and high on the mountain

Tasting the fruit of the sugar fountain, the bliss fountain.

May you feel courage,

where there is fear

In the unknown,

may you steer clear

And you know,

I'll be waiting for you.

May you be calm

may you be bright

No trace of dullness

in the clear light

if you need me,

I am here for you.

Down in the canyon...
