May you be happy
May you be gay
May you have lovin'
In every day
Do you know I am here for you?

May you be robust
May you be strong
May you be cheerful
The whole day long
And you know, I am here for you

Down in the canyon and high on the mountain
Tasting the bliss from the mantras we're a' countin'

May you feel courage
When there is fear
In the unknown
May you steer clear
And you know,
I'll be waiting for you

May you be calm
May you be bright
No trace of dullness In the clear light
If you need me I am here for you

Down in the canyon and high on the mountain
Tasting the bliss from the mantras we're a'countin'

May you be happy
May you be gay
May you have lovin' In every day
Do you know I am here for you?
