

OPEN YOUR HEART

What's the use of being angry?
What's the use of being mad?
What's the use of feeling hostile?
It will only make you sad
Open your heart, it ain't so bad
Open your heart and let the sunshine in

So somebody hurt you,
You don't deserve or believe it
What they said isn't true
But for Love, you've got to leave it
Open your heart, it ain't so bad
Open your heart and let the sunshine in

You know it's such a sad thing
When we hold a grudge
It steals away our happiness
Life becomes a big black smudge
Open your heart, it ain't so bad
Open your heart and let the sunshine in
Open your heart, it ain't so bad
Open your heart and let the sunshine in
